Dear Families,

Ref: Kenya Class Visit to Liverpool World Museum – Friday 15 January 2027

We are delighted to inform you that students in Kenya Class will be visiting the Liverpool World Museum on Friday 15 January 2027.

Our visit to the World Museum has been carefully planned to support our topic of 'Light and Dark', with a particular focus on 'Space, Stars and the Night Sky'. During the visit, the students will watch an interactive show in the planetarium, followed by a workshop that will allow them to explore the planets in our solar system, why life is possible on Earth, and what causes night and day. We are confident that this educational experience will be both enriching and memorable for all our students.

We will leave school at 10:30am and return around 1:30pm.

Students will need to bring a packed lunch. Students who are entitled to free school meals will be provided with a packed lunch free of charge. Please inform the class team if you would like the school to provide a packed lunch for your child.

Full school uniform must be worn. Please ensure your child has a coat and is dressed appropriately for the weather.

There is no cost for this visit.

We are looking forward to providing students with an engaging and memorable learning experience. If you have any questions or require further information, please do not hesitate to contact the class team.

Yours sincerely
