Dear Families,

Ref: Visit to Knowsley Safari Park

We are delighted to share that students in the following classes will be visiting Knowsley Safari Park on the dates outlined below.

- Friday 13th November 2026: Samoa, New Zealand and Australia
- Friday 20th November 2026: Wales, France and Portugal
- Thursday 26th November 2026: Seychelles
- Friday 27th November 2026: Ireland, Mozambique and Botswana
- Friday 4th December 2026: Spain, Italy and Cape Verde

The visit will provide students with an exciting opportunity to explore the animal kingdom, observe a range of species and learn more about animals and their habitats. Students will experience the safari environment alongside their peers, supporting their learning beyond the classroom.

The visit will also contribute to students' personal development and careers education by introducing them to different roles within animal care, conservation and the wider safari park environment. This will help broaden their understanding of the world of work and potential future career pathways.

We will be departing the school site at 9:30am and will be returning by no later than 2:15pm. As this is a full-day trip, students will need to bring a packed lunch. If your child is entitled to free school meals, a packed lunch can be provided by the school. Please inform your child's class team if you require one.

Students must wear full school uniform and bring appropriate footwear and a coat, as the visit will involve spending time outdoors.

To contribute towards the cost of entrance and transport, we are requesting a voluntary contribution of £12 per student. Payments can be made online via the Arbor App School Shop, as the school is cashless. Please ensure payment is made prior to your child's visit date.
Permission for the visit

All students must have permission to attend. Please complete the Microsoft Forms permission form using the link below by Friday 6th November 2026 at the latest.

If you have any questions or require further information, please do not hesitate to contact your child's class team.

We are very much looking forward to an enjoyable and meaningful visit for our students.
Yours sincerely
